

WINTER TRAINING HOSTED BY REGION 6-1

Welcome Letter

Cadets will be responsible for keeping their berthing area (TENT) neat and organized at all times. Please do not ask to share tents. They are small. If you are having an issue with berthing, please see me or XOTC CDR Lance.

No food at ANY time is to be in your tent as we do not want any wildlife moving in with you while at training. Food will attract them. ALL meals will be MRE. Please do not leave ANY trash out in the Swamp. The Wildlife Officers will not allow us to come back if the trash is not kept under control.
